

How to Access Payments

In “My Store”, click “Payments” to view your payments.

Here, you can view the invoice and order IDs, amount, mode and date. Payments can be sorted by status using the dropdown menus and exported if needed using the options outlined in red below.

Invoice ID	Order IDs	Amount	Charges	Payment	Mode	Note	Date
#000120	#27467	\$27.00	\$0.00	\$27.00 Via Stripe Split Pay	Split Pay	Stripe Split Pay	October 15, 2021 9:36 am

Funds should deposit directly into your account via Stripe within 3-5 business days. The withdrawal button outlined in blue above should only be used if you did not receive payment automatically.
